

Fans of music and motorcycling can once again embark on a journey to the 'White Isle' as P&H Motorcycles, Carl Cox and Ducati UK team up for the sixth annual 'Destination Ibiza' trip. Led by Carl, the group will ride from the Crawley based dealership to Ibiza where they will enjoy the closing party at the iconic Space nightclub before stopping at the Aragon MotoGP.

Now entering its sixth year, the unique 'Destination Ibiza' motorcycle tour is set to be even bigger and better in 2014. As well as being the starting point for the tour, Crawley based dealership P&H Motorcycles will once again provide all of the essential travel accessories as well as the necessary motorcycle luggage needed. In-house training school Advanced Riding Techniques will also be offering their diploma qualified instructors as tour guides, ensuring the trip is kept safe as well as fun.

Leaving P&H Motorcycles on September 18th, the group will use a fleet of the latest Ducati machines, provided by Ducati UK. Riding South through the stunning Bordeaux region of France, they will cross the northern edge of the Pyrenees at Pau before heading through the centre of Spain to Denia. There they will embark on the fast ferry to Ibiza, arriving in time for the legendary Space closing party on the 23rd.

Their stay on the island is at the amazing Hotel Es Vive, where they can relax in the Spa or chill out at Scott's bar on the roof terrace with a cocktail or two before heading out to sample the famous Ibiza nightlife.

On the journey home, the 'Destination Ibiza' group will stop at the Aragon circuit in Spain for the 14th round of the 2014 MotoGP Championship before riding north through France, stopping at Aix en Provence and also the Champagne region before returning to the UK at the beginning of October.

Global superstar DJ Carl Cox is a close friend of P&H Motorcycles and is title sponsor for their Ducati TriOptions Cup race team. Playing an integral part in the 'Destination Ibiza' tour since 2009, he will once again be riding with the group throughout the trip. Speaking on the sixth edition of this unique motorcycle tour he said, "I'm really looking forward to the 2014 Destination Ibiza trip. This is our sixth tour and each year it seems to get bigger and better. Riding my Ducati through Europe is a real pleasure, not only are the roads amazing but you get the chance to eat at some amazing restaurants and see some spectacular views. As always, it will be nice to have some quality time away from my busy summer schedule, which will finish at Space for the Music is Revolution closing party on September 23rd."

Alan Jones, Ducati UK Press Manager said, "Carl is a good friend and big fan of Ducati so we are more than happy to be helping him and P&H Motorcycles with their Destination Ibiza trip again. The two have had a great partnership so far this season in our 2014 Ducati TriOptions Cup series, and with the range of Ducati machines we have provided for the trip I'm sure that will continue on their journey to Ibiza."
