**Ducati UK** will be providing bikes for the entire group of lucky P&H customers who will also get to experience the thrills of the fantastic Aragon Moto round with a stopover plus access to the legendary Funk and Soul Party at 'Sands'

Now in its fifth year, this unique event will once again benefit from the partnership with P&H Motorcycles, as the dealership will not only be providing all of the essential travel accessories but all of the necessary motorcycle luggage to make the trip a success. In house training school **Advanced Riding Techniques** will be offering their diploma qualified instructors as tour guides', ensuring the trip is kept safe. **Safehouse Management** will be supplying the VIP entertainment package and sponsoring the travel insurance for the entire tour.

Setting off from P&H Motorcycles, Gatwick, on the 19<sup>th</sup> September, the tour rides through Western France and will cross the Pyrenees and then ride through central Spain to Ibiza, arriving in time for the closing party on the 24<sup>th</sup>. The riders will also be given VIP access to all the best Ibiza parties before the return leg sees a stopover at Aragon for the fourteenth round of the MotoGP World Championship. Returning through Andorra and then back via the Champagne region of France before returning to the U.K. at the beginning of October.

DJ **Carl Cox** has been an integral part of the trip since the first one in 2009, and will be again taking some time off to indulge in his other passion, motorcycles. Speaking ahead of the event he said; *"I very much look forward to riding my Ducati through Europe,, the roads are amazing and you also have the benefit of being able to eat at some quality restaurants. It's nice to have some quality time away from my very busy summer work schedule, which finishes with the Revolution Unites closing party at Space on the 24th September"*.

**Alan Jones**, Ducati UK Press Manager, said, *"Carl Cox is a good friend and a big fan of Ducati and we are more than happy to help him out on the Ibiza trip again. We have provided some bikes which have been used on our Stradatour this year which will be perfect for a trip like this. I am sure they will have a fantastic time and riding there on a Ducati can only add to what will be a great experience."*

**Paul Searle**, P&H Motorcycles Owner, said, *"It is great to once again be able to provide the equipment for the Destination Ibiza tour, Carl is a regular customer at P&H Motorcycles and is as passionate about two wheels*

as we are. This really is a unique and special event, not only will the group be able to enjoy the amazing roads in Europe, but they also get VIP to some of the biggest closing parties in Europe and a MotoGP round thrown in too. The only shame is that I can't make it!"

**Lynn Cosgrove**, Safehouse Management Director added, "*Being part of something different outside of what we normally do is very exciting for us. We are very used to providing hospitality & entertainment for music events but this will give us a chance to showcase what else we do besides working with one of the biggest nightclubs in the world. Ibiza has so much more to offer and we have arranged some events at one of the islands exclusive beachside Restaurant's, Sands, in playa Den Bossa. Personally I love tracking the ride as it goes and seeing the guys enjoying such amazing scenery along the route*".

**Steve Manning**, Advanced Riding Techniques operations manager, "*once a year the enjoyment of being able to ride my bike for nearly two weeks without working, it is for me a high point of what I do for a job!. When I am guiding tours it is still work of a fashion but with amazing roads and a whole lot less traffic. We aim to make the trip as safe but as enjoyable as possible, if you have any concerns about riding then we are here to help and assist wherever needed*".
